बेटी बचाओ बेटी पढ़ाओ अभियान

सृष्टि में नारी ही एक मात्र ऐसा प्राणी है जिसे सैद्धांतिक रूप में जितनी अधिक श्रद्धा अर्पित की गई, व्यवहार में उतने ही शोषण व अत्याचार का शिकार होना पड़ा। वैदिक काल में नारी की स्थिति गरिमामय थी। मैत्रेयी, गार्गी आदि नाम इन तथ्यों की पुष्टि करते हैं। किंतु रामायण-काल, महाभारत-काल तक आते-आते स्थिति बदल चुकी थी। सीता द्वारा अग्नि परीक्षा देना, द्रौपदी का उसके पतियों द्वारा उसे जुए में हार जाना आदि प्रसंग नारी-गरिमा पर प्रश्न चिन्ह लगाते हैं। मुगलों के आगमन के बाद उसे पर्दों में छिपाया जाने लगा। नव जागरण काल में महर्षि दयानंद सरस्वती, स्वामी विवेकानंद आदि के प्रयासों से कई कुप्रथाएं जैसे सती प्रथा, बाल विवाह आदि के जाल में फंसी नारी की मुक्ति की शुरुआत होती है।

स्वतंत्रता के बाद स्थिति तेजी से बदली, नारी शिक्षा का प्रचार, प्रसार खूब हुआ। पंचायती राज में 30 प्रतिशत स्थान नारी के लिए आरक्षित किए गए। इंदिरा गांधी, प्रतिभा पाटिल, कल्पना चावला, सुनीता विलियंस, पी.टी. ऊषा,

किरण बेदी, सानिया मिर्जा जैसे अनेक नाम नारी-शक्ति की स्वर्णिम मशाल को थामें हैं। कुछ वर्ष पहले चंडीगढ़

निवासी नीरजा भनोट ने बहादुरी की मिसाल प्रस्तुत की थी। इन्होंने अपनी जान पर खेल कर 359 विमान यात्रियों की जान बचाई। विमान को आतंकवादियों ने हाईजैक किया था। इन्हें पाकिस्तान, भारत और अमेरिकी सरकार ने सम्मानित किया क्योंकि विमान को पाकिस्तान (कराची) में हाईजैक किया गया था और विमान में अमेरिकी तथा भारतीय यात्री सवार थे।

हर क्षेत्र में अपनी योग्यता का लोहा मनवाने के बावजूद अभी भी हमारे पुरुष प्रधान समाज में लड़कियों के प्रति मानसिकता नहीं बदली है। लोगों का मानना है कि लड़के वंश को आगे बढ़ाते हैं जबकि वे बेहद आसान सी बात नहीं समझते कि दुनिया में लड़कियां ही शिशु को जन्म दे सकती हैं, लड़के नहीं। लोग समझते हैं कि लड़का

उनको बहुत सारा दहेज दिलवाएगा, जीवन भर कमाएगा तथा उनका ध्यान रखेगा जबकि लड़की की शादी होगी और चली जाएगी।

प्राचीन काल में तो जन्म के तुरंत बाद लड़कियों को मार दिया जाता था। 1990 में चिकित्सा क्षेत्र में लिंग निर्धारण जैसी तकनीक के आगमन से भारत में कन्या भ्रूण हत्या को बढ़ावा मिला। 2001 के सेंसकस के आंकड़ों के अनुसार हमारे देश में 0 से 6 वर्ष के बीच का लिंगानुपात हर 1000 लड़कों पर 927 लड़कियों का था। 2011 के सेंसेस के आंकड़ों के अनुसार 1000 लड़कों पर 918 लड़कियां थीं। इसीलिए भारत में लड़कियों की सुरक्षा के प्रति लोगों में जागरूकता फैलाना आवश्यक हो गया।

देश में छोटी बच्चियों को सशक्त बनाने के साथ-साथ समाज में लड़कियों की गिरती संख्या के मुद्दे प्रति जागरूकता के लिए उद्देश्यपूर्ण ढंग से एक राष्ट्रव्यापी योजना की शुरुआत की गई जिसका नाम है— “बेटी बचाओ बेटी पढ़ाओ”। ये योजना प्रधानमंत्री श्री नरेंद्र मोदी द्वारा 22 जनवरी 2015 को हरियाणा (पानीपत) में शुरू की गई है। ये बेहद प्रभावशाली योजना है जिसके अंतर्गत लड़कियों की

संख्या में सुधार, सुरक्षा, शिक्षा, कन्या भ्रूण हत्या उन्मूलन, व्यक्तिगत तथा पेशेवर विकास आदि का लक्ष्य है। केंद्रीय मानव संसाधन मंत्रालय, स्वास्थ्य तथा महिला एवम् बाल विकास मंत्रालय की सहायता से इसे सभी राज्यों तथा केंद्र शासित प्रदेशों में लागू करने के लिए एक राष्ट्रीय अभियान के द्वारा देश के 100 चुने हुए शहरों में इस योजना को लागू किया गया है। हम उम्मीद करते हैं कि ये योजना लड़कियों के खिलाफ होने वाले अपराध तथा गलत प्रथाओं को हटाने के लिए कारगर साबित होगी। हम आशा करते हैं कि आने वाले दिनों में सामाजिक-आर्थिक कारणों की वजह से किसी भी लड़की को गर्भ में नहीं मारा जाएगा। लड़कियां अशिक्षित और असुरक्षित नहीं रहेंगी।

‘बेटी बचाओ बेटी पढ़ाओ’ देश में साक्षरता को बढ़ाओ।

बेटी को मत समझो भार, जीवन का है ये आधार।

शिक्षा बेटी का है हथियार बढ़ाओ कदम और करो विचार।

आज, अभी और अब से बेटी पढ़ेगी, बेटी बढ़ेगी।

मां नहीं तो बेटी नहीं, बेटी नहीं तो बेटा नहीं।

किसी भी संस्था का आधार उसकी सदस्य संख्या व सभी का उस संस्था के प्रति प्रेम व सद्भाव पूर्ण वातावरण होता है। सूद सभा, चंडीगढ़ भारत की उन संस्थाओं में विशेष स्थान रखती है जो सूद परिवारों की बेहतरी के बारे में विशेष ध्यान देती है।

जहां तक मैंने महसूस किया और विभिन्न लोगों से सुना है कि सूद सभा चण्डीगढ़ में सेहत संभाल के लिए समर्पित लैबोरेटरी में कार्यान्वित सभी सदस्य किसी आगंतुक की मदद करते समय उससे उसका धर्म, जात व बिरादरी के बारे में कोई सवाल नहीं करते— डिस्पेंसरियों में केवल सेवा पर ही ध्यान दिया जाता है। यही बात जरूरतमंदों की मदद करते समय ध्यान में रखी जाती है।

बच्चों, नौजवान पीढ़ी, गृहणियों, बुजुर्गों व हर फील्ड के लिए मिल बैठकर समाज सेवा के कार्यों के अलावा विचार विमर्श करने के लिए मंच तैयार है जहां वे आपसी सद्भाव को बढ़ावा देते हैं। यथा योग्य जरूरतमंदों की सेवा, किसी भी त्रासदी के समय माली मदद, सूद सभा अपना फर्ज समझकर सदा आगे रहती है।

पंजाब की अन्य सभाओं के सदस्यों को आयोजित कार्यक्रमों में आमंत्रित करके अपने द्वारा किए जा रहे कार्यों के बारे में बताना एक बहुत सुंदर कार्य है दूसरी सभाओं को इससे मदद मिलती है।

सूद संदेश द्वारा गतिविधियों के अलावा स्थाई स्तंभों में मेटरिमोनियल विशेष स्थान रखता है।

अपनी छोटी सी पटियाला सूद सभा के साथ चण्डीगढ़ के “सूद मिलन दिवस” समारोह के उपरांत जैसा मैंने महसूस किया वही कलमबद्ध किया है। जैसे जैसे मिलना होगा और भी बयान करने की चेष्टा करूंगा। सूद सभा पटियाला के सभी सदस्यों व परिवार की हार्दिक शुभकामनाओं सहित सदैव सूद सभा चंडीगढ़ के साथ।

MEMORY LOSS

Dementia is a general term for a decline in mental ability severe enough to interfere with daily life. Memory loss is an example. Forgetting things and events are a common problem with increasing age. Typically age related memory loss are, making a bad decision once in a while, missing a monthly payment, forgetting which day it is and remembering later, sometimes forgetting which word to use and losing things from time to time. Memory loss that disrupts daily life may be a symptom of Alzheimer's or other dementia.

Dr. J P Singhvi
DM (Neurology)

Warning signs and symptoms of dementia, experienced in different degrees:

- i. Memory loss that disrupts daily life
- ii. Challenges in planning or solving problems
- iii. Difficulty completing familiar tasks at home, at work or at leisure
- iv. Confusion with time or place
- v. Trouble understanding visual images and spatial relationships
- vi. New problems with words in speaking or writing
- vii. Misplacing things and losing the ability to retrace steps
- viii. Decreased or poor judgment

Though Alzheimer's disease is the commonest dementia accounting for 70% of cases, vascular dementia occurring after stroke is second common. There are several other causes of dementia and few are worth investigating for as they may be reversible such as thyroid problems, vitamin deficiencies, excessive alcohol intake etc.

People with dementia have a problem of short-term memory and many are progressive.

Risk factors:

There are several risk factors which include advancing age, family history, head trauma, high BP, heart disease, stroke, diabetes, high cholesterol.

If you notice any of the above warning symptoms, don't ignore them. Your doctor will evaluate your overall health and identify any conditions that could affect how well your mind is working. Diagnosis needs a thorough medical history, mental status testing, a physical and neurological examination, blood tests and brain scan.

A Journey to Himachal Heritage -

Dehra-Gopipur, a famous temple town

I had gone to Dehra-Gopipur to attend the 19th Kamalawati Sood Memorial Bhajan Competition arranged by Kapil Dev Sood, a leading advocate of Shimla, and his colleagues. Eight schools had participated in the individual and the group singing. A couple of cultural items added colour to the programme (See photo). A library for young and old, a music academy where music-learning is gratis for the poor and a computer centre with nominal charges are signs of Sood's philanthropy.

In fact, the Shama Sood Memorial Computer Centre was inaugurated by Rati Ram Varma, former DGP, on the day of our visit there. It appears that Kapil Dev Sood has imbibed the quote of Francis Bacon, "Money is like manure, of very little use except it be spread."

A temple of Radha-Krishna raised in 1895 is the forerunner of Kapil's Radha-Krishna Trust that runs a community centre there. Kapil's several guests and I stayed in its comfortable rooms. The temple has beautifully sculptured idols (See photo). The song, "Yashomati Mayya se bole Nandlala; Radha kyun gori, mein kyun kala" struck me as I glanced at the idols during the dawn's aarti.

Vidya Chand Thakur, an etymologist, says that the name Dehra is because it has the temples of many gods and goddesses, including that of Radha-Krishna. And Dehra in Pahari means a temple. Another version is that the place in the 15th century was used as Dera (camp) for further invasion of Nagarkot (Kangra) fort, so the name Dera, with times, got corrupted to Dehra. It was converted into a tehsil by the British in 1868. That started its evolution and development.

The town of Dehra in Himachal Pradesh is, however, known as

Dehra-Gopipur. Gopipur is across the Beas and I confess that I had never been to Gopipur. Gopipur, however, is the older town and traces back its origin to the days of Mahabharat. When did Mahabharat happen?

“Dating of the Hindu history is always approximate and speculative and often a range, as orally transmitted scriptures precede the written works by several centuries and parts of the written work were composed by various scribes over several generations, in different geographies”, says Devdutt Pattanaik. So, it might have happened about 5,000 years ago.

If it happened that back, then what are the modern or scientific evidences that show that Gopipur existed about 5,000 years ago? We know that the Paleolithic era or Stone Age remained from 50,000 to 3,000 BC.

And an archeological survey confirms that choppers found in Paleolithic age are the dominant element in the collection obtained in the excavations at Dehra-Gopipur. It stands recorded in “Late stage of Paleolithic Age” – Social, Cultural and Economic history of Himachal Pradesh by Manjit Singh Ahluwalia 1998. It means that a society existed in Gopipur in the late Stone Age or during the times of Mahabharat.

Could it be true that Lord Krishna ran to Gopipur after leaving the battlefield at Mathura? It is known that one of the names of Krishna is Ranchhod, a person who runs away from the battlefield. And that battlefield was none other than Mathura where Kaalyavan wanted to fight Krishna and defeat him. He could defeat him because Kaalyavan had received a boon from Lord Shiva that he would never be defeated. Then there was Muchkunda who had helped the gods in fighting a war against the demons. After the war, he felt tired and, from the Gods, got a boon of undisturbed sleep healing his tiredness.

Further, if one happened to awake him, he would get burned from the energy oozing out of his eyes. Krishna knew about the boons and ran towards the hills into the cave where Muchkunda was sleeping and placed his yellow shawl over him. Kaalyavan came tracing Krishna and when he saw Krishna's yellow shawl, he mistook Muchkunda for Krishna and kicked him threatening him to get up and fight. When Muchkunda saw Kaalyavan who had disturbed him in his slumber, Kaalyavan was burned to ashes. This cave, it is said, was at Gopipur. I had, however, never heard of a cave there although hearsay is that there existed an ancient temple in the name of Pandavas.

Tailpiece

You must worship the self in Krishna, not Krishna as Krishna.” – Swami Vivekananda.

RAI BAHADUR MOHAN LAL, MLC PRIDE OF SOOD BIRADARI

Mohan Lal was born to merchant, Naurang Mal and his wife, Bhudan Devi in 1878. A Little is known of his childhood and formative years. His family was well enough to support his education away from home as he did his schooling followed by a law degree from Lahore. Early in life, Mohan Lal displayed a certain acumen toward business and law. He quickly built up a law practice ranging from Calcutta to Lahore. Because of his integrity and daring nature, he also began to get cases against the British.

In addition to his law practice, he successfully availed of business opportunities in Timber, Electricity, Commodities etc. whose interests extended from Afghanistan to the United Provinces. His business interests saw him creating a base in the summer capital, Shimla and in Model Town, Lahore.

Mohan Lal was a staunch Arya Samaj activist. He believed in the education and empowerment of women. During the period 1915 to 1920 he laid the groundwork for a Girls Arya Samaj in Shimla and boy's school in his hometown Garli. His administrative abilities saw him become the Municipal Councillor of Shimla.

One of his notable achievements was obtaining a conviction against a senior British Army Officer in the famous Shimla Coolie Murder case. The British officer had beaten a rickshaw puller to death. He took the case and fought the British administration, endured harassment and finally prevailed in getting justice - a landmark achievement during British rule. The convicted officer committed suicide in jail.

Mohan Lal had a large business, social and political network. His circle included luminaries from the country like Sir B N Mitra, Sir Chotu Ram, Sir Ganga Ram, Sir Jai Lal, the Maharajas of Mandi, Kapurthala, Jubbal and freedom fighters like Lala Lajpat Rai and others. His team consisted of well established businessmen and philanthropists like Lala Jodha Mull, Lala Mela Ram Sud, Lala Puran Mall and others.

The British began to recognize his influence and subsequently gave him the title of Rai Bahadur. Such was his influence that when he married his daughter, Hema to Tek Chand, who

subsequently retired as a Judge of Punjab High Court. The Lt Governor of Punjab came to Garli to attend the wedding.

While he extended his influence with the British, he also immersed himself in the freedom movement as it gained momentum. He had close ties with Lala Lajpat Rai and participated in the Simon Commission protest in Lahore. He hosted Mahatma Gandhi twice in Shimla in 1931 where it is believed that the seeds of the Quit India Movement were sown. His contribution to all areas earned him tremendous respect and admiration. When he desired to stand as a Member of Legislative Council of Punjab, Lala Lajpat Rai stepped down in his favour to enable his election unopposed.

Not forgetting his roots, he encouraged the Sood Community from Garli to invest in their roots. In an exemplary move, the Sood Community built Garli through voluntary & participative Town Planning purely from their own resources. Rai Bahadur Mohan Lal built the Water Works, the Civil Hospital, the Sarai, the Girls School, the road from Dhaliara to Garli (via Bani), obtained space for the Boys School (subsequently built by Lala Mela Ram Sud with the contributions from Rai Bahadur Jodha Mall) amongst other things.

The Sood community started patronizing Garli as their winter retreat. Cobblers, Ironmongers, Carpenters, Goldsmiths, Tailors, and Potters etc. were brought in from outside and settled in the village and nearby areas to facilitate local availability of every need. Garli grew into a large market. Stories are told of a merchant who sold his shop in Mandi for Rs. 5,000/- and bought a shop in Garli for Rs. 10,000/- as the market was much bigger here. Garli became an economic epicenter of Education and Health facilities for a large number of people.

Rai Bahadur Mohan Lal wore many hats. He was also an enigma to many. On one hand, he cultivated the British and on the other he worked for independence from them. Some knew him as a ruthless businessman, others acknowledged him as a humanitarian. However, no one can take away the contributions towards the Society, his Philanthropy and his Patriotism.

Fate cruelly snatched him away at a relatively young age of 55 in 1983. At the time of his death, he was in Garli, laying the economic road map of the region. Engineers from Joginder Nagar Power Station were expected for finalising laying of electrical lines to Garli. Some people say that if he had lived another 10 years, the fate of this region would have been very, very different.

Sadly, his legacy was obscured after his death. There is hardly any mention of the man in public. He left behind an uneducated widow and five minor children and many of his ventures were unable to sustain for want of proper succession. Today his Grandson is working towards promoting economic activity in Garli.

There is an old Chinese proverb which says "A bird does not sing because it has an answer; it sings because it has a song." Rai Bahadur Mohan Lal sang his song.

Production designer Aparna Sud's Flight To Success

When production designer, Aparna Sud signed up for Ram Madhvani's *Neerja*, little did she know that she had to build an entire aircraft from scratch. However, rather than getting nervous, she decided to take it up as a challenge. "This is going to be interesting," she told herself before heading to the drawing board.

A lot of research went into making the aircraft. She elaborates, "It was almost like going back to school. I had to take into consideration a lot of references. I started with the layout, drawings and made some 3D models. I referred to every resource available online, including a website that was set up by the ex-employees of Pan Am (Pan American World Airways). I also went through technical manuals of Boeing 747, consulted pilots who have flown the aircraft and also met aeronautical engineers and flight attendants." She is happy that her effort has paid off and the film has won rave reviews for the precision and detailing involved.

Aparna, who started out as an interior designer, worked with an architect for almost six years before she shifted her base to Mumbai. "When I came to the city in 2002, my sister asked me if I would like to assist a production designer. I agreed, and that's how my journey in Bollywood began," she recalls.

The Shimla girl, who has been behind the look of diverse films including 'Nishabd', 'ABCD: Any Body Can Dance' and 'Tevar', has recently completed an international project. "I just finished working on a Hollywood film, *Heartbeats*, which is directed by Duane Adler," she signs off.
