OCT-DEC 2016

From General Secretary

Shashi B. Sud

First of all Sood Sabha, Chandigarh wishes all it's brethren and their families a very happy and prosperous New year 2017. When we look back - one has to acknowledge that Sood Sabha Chandigarh has rendered an excellent and outstanding service for the community in the most congenial and healthy environment. The human mind can do anything but one needs strength, self belief, willpower and confidence.

Following the tradition, Sood Sabha organized 54th SOOD MILAN DIVAS on 18th December 2016 at Sood Bhawan, Panchkula. The added attraction of this year function was arranging sports meet for children after a gap of many years. The children and their parents showed great enthusiasm and appreciated the effort. The day was full of fun and frolic as every one gets an opportunity to meet each other on one platform, at least once a year.

The managing force behind the Divas was the dynamic youngsters, the executive members of the Sood Sabha, who are excelling well with innovative ideas. If we harness the intelligence of youth properly for a genuine cause, the youth of the biradari under the guidance of elders will never shirk the responsibility towards community.

Our quarterly magazine, Sood Sandesh is an important source of communication which keeps us connected to other Sabhas and to highlight various activities. We always tries to give good coverage also but are not getting support in this regard. Sood Sabha Chandigarh will appreciate if some good material, articles are being sent to us for publication in the house magazine.

SOOD MILAN DIVAS 2016

54th Sood Milan Divas was organized by Sood Sabha Chandigarh on December 18th 2016 at Sood Bhawan Panchkula.

The Chief Guest for this year's function was Mr Arun Sood former Mayor of Chandigarh. He was kind enough to spare time from his awfully busy schedule along with his wife to grace the occasion Municipal Corporation elections which were being held on the same day.

Balraj Sood
Chairman
Org. Committee

The main attraction for this year's Milan Divas were various sports events held and a good number of children participated in them. Various competition like "On the Spot Painting", "Fancy Dress", "Sood Prince/Princess" and Cultural programme also had a good response.

The President of Sood Sabha Chandigarh Sh. Ashwani Doeger welcomed the Chief Guest and other dignitaries representing various Sood Sabhas. Our General Secretary Sh. Shashi B Sud apprised the audience about the various activities being taken up by the Sabha for the welfare of the society.

I, take this opportunity to thank each and every member of the organizing committee of the sabha from the core of our heart for their co-operation and making this yearly event "Sood Milan Divas" a grand success.

My special thanks to Shri Sudhir Sood, Co-ordinator, Sood Milan Divas who under took all the responsibility on my behalf in my absence.

A WORD FROM CHIEF GUEST

It was a moment of great honour for me to be the Chief Guest on the occasion of 54th SOOD MILAN DIVAS on 18th December, 2016 at Sood Bhawan, Sector 10, Panchkula.

Arun Sood
Former Mayor
U.T. Chandigarh

Our biradari has always recognized the significance of celebrating various fairs & festivals collectively. I think, the basic purpose behind this is to rejoice the joyous atmosphere and develop brotherly feelings. Sood Sabha organizes Sood Milan Divas every year which has now become an important event for Sood families residing in and around Chandigarh-Mohali and Panchkula.

Sood Sabha is actively engaged in the welfare of its brethren by providing quality health care services like Diagnostic Laboratory, Homeopathic and Allopathic Dispensaries along with Physiotherapy Centers at both the Bhawans. It was nice to see that in the various competitions held during Sood Milan Divas, children participated actively. Sood Sabha honoured Senior Biradari members besides honouring meritorious students for their achievements in various fields. I highly appreciate the effort of Sood Sabha.

Finally, I convey my thanks to all the organisers and Members of the Sabha for giving me the opportunity to be a part of this annual Milan Divas and also for making this event a memorable one. I would like to offer my services in whatever manner to the Sood Sabha at any point of time.

-AISHANI SOOD,
V, CARMEL CONVENT

Shri Kulwant Rai Sood left for his heavenly abode on 20th December, 2016. He was hale and hearty when he attended Sood Bhawan, Panchkula on 19th December morning but left us shocked and grief stricken when he breathed his last the very next day. This was an irreparable loss not only for us at the Sood Sabha but for the entire Sood Biradari.

Kulwant Rai Sood

Late Shri Kulwant Rai Sood was born at Tapa Mandi in Punjab on 6th December, 1938. He had his early education at Tapa and graduated from Punjab University. His family had a business of contractors and Brick owners. He started his career with Punjab State Electricity Board in the year 1959 and served Pfizer Ltd. for thirty three years. In January, 1965, he was married to Mrs. Sudershan Sood, a very humble, kind hearted and a God fearing lady.

Shri Kulwant Rai joined Sood Sabha, Chandigarh in 1976 to serve the Sood Biradari and also the society. He held various senior positions in the Sabha and remained President for more than ten years. He was also the founder member of Sood Sewa Bhawan Trust where he served as Finance Secretary till his end. He was also closely associated with the senior citizen council, Panchkula, SOS children's village Panchkula unit along with some other Socio-Religious organisations. He is survived by two sons and two daughters.

Sood Sabha Chandigarh prays to the almighty to grant peace to the departed soul and give strength to the bereaved family to bear this loss.

“स्कूल-सभ्यता एवं संस्कृति की नर्सरी”

वास्तव में स्कूल सभ्यता एवं संस्कृति की नर्सरी है। समाज के निर्माण में स्कूल उच्च स्थान रखता है। स्कूल व्यक्ति को शिक्षा के वरदान से ओत-प्रोत करके उसे सभ्य बनाता है। यदि मानव को शिक्षा का उपहार प्राप्त न होता तो उसमें और जानवर में कोई अन्तर न होता। केवल विवेक अथवा ज्ञान ही मनुष्य को जानवर से भिन्नता प्रदान करता है। स्कूल को शिक्षा का मन्दिर भी कहा जाता है। सचमुच स्कूल मन्दिर के समान पवित्र है जहां ज्ञान की गंगा बहती है। स्कूल की घंटी विद्यार्थी के अज्ञानता के अंधकार को दूर करके ज्ञान के उजाले का संचार करती है। शिक्षा रूपी प्रसाद ग्रहण करके विद्यार्थी धन्य हो जाते हैं। तभी तो सभी आशा की जाती है।

çks 14M2 ksk pluzl w
eSri q] ft yk Å uk 1q-c-1/2

स्कूल में अर्जित किया गया ज्ञान एक दीपक के समान है, जिसकी रोशनी कभी मध्यम नहीं होती। ऊँचें तथा सुन्दर भवनों का निर्माण स्कूल की सही परिभाषा नहीं है। स्कूल ईंट तथा पत्थर से बनी केवल मात्र इमारत नहीं है। यह भौतिकतावाद की वस्तु नहीं अपितु अध्यात्मिकतावाद का चिन्ह है। विद्यार्थी तथा अध्यापक स्कूल की रीढ़ की हड्डी के समान होते हैं। यदि स्कूल एक नदी है तो ज्ञान इसका पावन जल है तथा गुरु एवं शिष्य इसके दो किनारे हैं। स्कूल को एक वृक्ष कह कर भी पुकारा जा सकता है। विद्यार्थी इस वृक्ष के मधुर फल हैं। माली रूपी अध्यापक अपनी श्रदा, आस्था तथा त्याग रूपी खाद पानी से इस ज्ञान के वृक्ष को हरा-भरा रखता है। एक आदर्श स्कूल समाज निर्माण में महत्वपूर्ण भूमिका निभाता है। संस्कारपूर्ण तथा अच्छे स्कूलों की स्थापना करके प्रबल तथा कल्याणकारी राष्ट्र की आधारशिला रखी जा सकती है।

गुरु तथा शिष्य का सम्बन्ध उतना ही प्राचीन है जितनी हमारी संस्कृति। गुरु स्कूल के माध्यम से अपने शिष्य को उच्च संस्कारों से सराबोर करता है। गुरु और शिष्य एक ही सिक्के के दो पहलू हैं।

हमारे शास्त्रों तथा ग्रंथों में गुरु का स्थान माता-पिता के समक्ष अथवा ऊपर माना गया है।

Contd....

Contd....

माता-पिता जो बच्चे को जीवन की सही डगर पर डालते हैं उन्हें बच्चे के प्रथम गुरु का दर्जा प्राप्त है। गुरु तथा शिष्य विश्वास तथा परम्परा की पावन डोर से बंधे हुए होते हैं। कहा जाता है “गुरु बिना गत नहीं तथा शाह बिना फत नहीं।” गुरु तथा शिष्य के रिश्ते का आधार स्कूल ही है।

भारतीय संस्कृति में गुरु तथा शिष्य के अनेकों अनूठे उदाहरण हैं - राजा दशरथ ने गुरु विश्वामित्र की आज्ञा का पालन करते हुए राम तथा लक्ष्मण को उनके साथ जंगल में भेजा ताकि वे साधु, संतों तथा महात्माओं को उन दानवों से बचाएं जो बार-बार उनकी तपस्या को भंग करते थे। एकलव्य ने तो गुरु द्रोणाचार्य के आदेश पर गुरु दक्षिणा के रूप में अपने दाएं हाथ का अंगूठा काट कर दे दिया। कुरुक्षेत्र के मैदान में गुरु द्रोणाचार्य अपने प्रिय शिष्य अर्जुन के तीरों के पौनेपन पर गदगद थे। महाकवि रविन्द्र नाथ टैगोर ने शांति निकेतन की नींव रखी जहाँ शिष्य आदरपूर्ण ढंग से गुरु से शिक्षा प्राप्त करते थे। तभी तो टैगोर को ‘गुरुदेव’ कह कर बुलाया जाता है। संक्षिप्त रूप से कहा जा सकता है स्कूल एक ऐसा स्थान है जहाँ गुरु शिष्य के बंजर भूमि रूपी खेत में ज्ञान की फसल पैदा करता है। सच ही कहा गया है कि स्कूल सभ्यता तथा संस्कृति की नर्सरी है।

“स्मार्ट फोन”

वर्तमान समय की ज़रूरत

मोबाईल फोन आज हमारी एक आवश्यकता बन गये। हमारी सुबह भी फोन के साथ होती है शाम भी और रात भी। हमारी आवश्यकता बन चुके इस फोन के बारे में मुझे कुछ महत्वपूर्ण जानकारी प्राप्त हुई है, जिसे मैं इस पत्रिका के माध्यम से आप सब के साथ सांझा करना चाहती हूँ।

आधुनिकता को अपनाना सही बात है, लेकिन किसी सीमा तक। आज मैं बात कर रही हूँ “स्मार्ट फोन” की। स्मार्ट फोन आज हम सभी की ज़रूरत बन गया है। किसी भी आयु का व्यक्ति आज स्मार्ट फोन का प्रयोग कर रहा है। इन्टरनेट के ज़रिए हम कभी भी कहीं भी अपने स्मार्टफोन पर किसी भी विषय पर पल दो पल में जानकारी प्राप्त कर सकते हैं। किन्तु क्या आप जानते हैं कि स्मार्टफोन हमारे लिए घातक भी हैं? यदि हम स्मार्टफोन का प्रयोग अन्धेरे में करें, जोकि हम अक्सर किया करते हैं, तब इससे निकलने वाली किरणें हमारी आंखों के रेटिना पर असर करती हैं। यह हमारी आंखों के लिए खरतनाक हैं। कुछ समय पहले विदेश में दो महिलाओं की आंखों की रोशनी चली गई। डॉक्टर समझ नहीं रहे थे कि ऐसा क्या हुआ जिससे अचानक रोशनी चली गई। जब इस पर शोध हुआ तब चौंकाने वाले परिणाम सामने आए। पता चला कि इन सब का कारण अंधेरे में स्मार्टफोन का प्रयोग करना है।

आज कल सेल्फी लेने का भी बहुत चलन है। लोग एक सेल्फी लेने के लिए न जाने कितने खतरे उठाते हैं। क्या आप जानते हैं, कि जो लोग ज्यादा सेल्फी लेते हैं, उनके चेहरे पर झुर्रियां जल्दी आती हैं, क्योंकि स्मार्टफोन से निकलने वाली किरणें, त्वचा के लिए घातक हैं।

अन्त में यही लिखना चाहूंगी कि हम सभी को स्मार्टफोन का प्रयोग तभी करना चाहिए जब इसकी ज़रूरत हो। हमें स्वयं को एंव अपने छोटे बच्चों को इससे दूर रखना चाहिए। इसका प्रयोग अवश्य करें, लेकिन आदत न डालें। बच्चे आजकल फोन पर गेम खेलते हैं। हमें अपने बच्चों को भी इसकी हानियाँ बतानी चाहिए। मुझे प्रसन्नता है कि मुझे जो जानकारी प्राप्त हुई वह जानकारी मैं इस पत्रिका के माध्यम से आप सभी के साथ सांझा कर सकी।

Has the Internet Tolloed the Death Knell of Family Life?

When we talk about internet, there is a definite belief we have instilled in our minds that it is responsible for all the negative things that are happening in the world today. Irony is people today blame the internet for the lower intelligence level of children when internet is the reason, we are more intelligent today. If I had to give my views on internet, I am of the belief that internet is the unit which is still holding families together in today's busy world. WhatsApp, Twitter, Facebook, Instagram, BBN and many more applications have made the world come closer. In earlier times, there were not many instances when we wished our family members good morning or good night when the day began or ended, respectively. Today, there are family groups which have been made on WhatsApp through which the communication among many family members have increased amazingly! For mother whose child lives somewhere where she cannot go and visit regularly, video chatting has become the reason of sharing much stronger bond. Yet, we blame internet for breaking families.

Arushi Sood

For me, internet has transformed the video world into a reality. It has transformed the mirrors of our lives into windows. When we look outside today, we do not only see ourselves but we see a world, a world comprising of new people, our friends, our family and in short, everyone.

Luckily, we have internet in our mobile phones today. It is the only thing keeping our relationship together when we are separated by our loved ones through time and distance. To sum it up, it is our parents who are doing a right thing by teaching us the right usage of such an amazing invention of SCIENCE.

सूद सभा चंडीगढ़ - एक और प्रयास

सूद सभा चण्डीगढ़ की ओर से हमें एक सौ नब्बे स्कूल बैग पंचकूला के विभिन्न स्कूला में वितरण हेतु दिये गये थे तदनुसार सभा द्वारा गठित समिति ने निम्नलिखित स्कूलों में स्कूल बैग, कॉपियां, बिस्कुट एवं कूड़ादान वितरित किये।

- | | | |
|----|--|---|
| 1. | 16 सैक्टर मन्दिर परिसर स्कूल में स्थापित | 38 बैग एवं बिस्कुट |
| 2. | जी.एम.एस. नाड़ा गांव | 40 बैग, 102 कॉपियां, पेंसिलें एवं बिस्कुट |
| 3. | जी.एम.एस. देवीनगर गांव | 35 बैग एवं बिस्कुट |
| 4. | सैक्टर 17 के मन्दिर में स्थापित स्कूल | 35 बैग एवं बिस्कुट |
| 5. | जी.पी.एस. माजरी चौक गांव | 35 बैग एवं बिस्कुट |

सभी स्कूलों के मुख्य अध्यापकों ने सूद सभा चण्डीगढ़ के इन प्रयासों की भूरी-2 प्रशंसा की और बच्चे भी बहुत खुश एवं प्रोत्साहित थे। सभी प्रधानाचार्यों ने आशा व्यक्त की कि सूद सभा चण्डीगढ़ भविष्य में भी स्कूली बच्चों में उनकी जरूरत संबन्धित सामग्री वितरित करती रहेगी।

उपरोक्त सामग्री वितरण करने के साथ-साथ बच्चों में संस्कार डालने हेतु वार्ता की गई। इस वार्ता में उनको यह बताया और समझाया गया कि कैसे वे अपनी दिनचर्या में छोटे-छोटे बदलाव ला कर एक अच्छी संतान एवं अच्छे विद्यार्थी बन सकते हैं।

सुरेन्द्र मोहन सूद

BEREAVEMENT

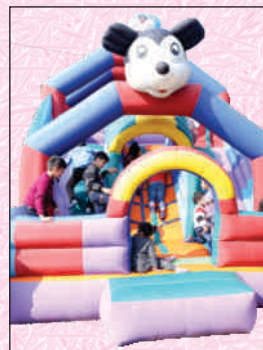

Shri C.L. Batra, Manager at Sood Bhawan, Panchkula, left for his heavenly abode on 7th January, 2017. He suffered a cardiac arrest attack on the evening of 28th December, 2016.

Shri Batra joined Sood Bhawan, Panchkula in January, 2006 after his retirement as Assistant Post Master from Sector-17, Chandigarh post office. His hard work with great zeal and dedication to the Sabha had won admiration not only from the Sood sabha but also from the public.

May his soul rest in peace.

Minerals Versus Life

Can you imagine Universe without minerals ? The answer is No. The Earth on which we dwell to-day is evolved from dozens of basic substances, including minerals. Of more than 100 elements known to mankind in nature only 4 (Oxygen, Hydrogen, Carbon and Nitrogen) make up for 96% of our body, and minerals make the remaining 4%, but lack of just one of them makes life miserable.

Minerals not only precedes life but as a matter of fact make life possible. As a land dweller, our main link with minerals is through a diet of plants which extract minerals from soil over which they grow. Human body requires large amount of some minerals and only traces of others. e. g. few milligrams of zinc is essential compared to several hundred milligrams of calcium. The minerals essential to health in high or large amount like calcium, phosphorous, potassium, sulphur, sodium, chlorine and magnesium are called macro-minerals.

Carbon is the most versatile element in the present day world (cradle of life). Carbon combining with number of other elements forms numerous substances. Its combination with sister elements like oxygen, hydrogen and nitrogen and other elements form the nutrients for life i.e. proteins, fats, vitamins and carbohydrates.

Minerals are quite different from vitamins, but they have healthy working relationship. Minerals are catalytic for healthy environment in which body using vitamins , proteins, carbohydrates and fats can grow, function and resurrects itself. e.g. zinc facilitates release of vitamin A from liver. Some vitamins contain minerals too like Vitamin B1 (Thiamine) crucial to heart function, contains sulphur. Some are helpmates to each other like calcium absorption is impossible without vitamin D.

At present, the way agriculture is being developed and the products processed, have resulted in alteration of availability of minerals which are so essential for life, thus creating wide spread health problems. The lack of trace elements in diets are observed especially in the areas where trend is more towards the refined and processed food. This asks for intake of drugs which has far reaching side effects (good for pharmaceutical industry). Another factor responsible for bad health is pollution, which pumps in harmful minerals in to our system. Not all the minerals are beneficial for body. Lead, arsenic, cadmium and mercury are the worst pollutants. They are considered to be toxic elements and their excess intake can cause serious problems. Lead poisoning results in brain and nerve effect, also blood and digestive system are affected, Cadmium can cause pneumonia and lung damage, Mercury can be responsible for bleeding gums, loose teeth and lack of co-ordination. Even minerals required for good health, taken in greater quantity can upset the balance in the body. e.g. potassium requirement for body for a day if taken in single doze can prove to be harmful.

In the present day environment, we are in fact getting less of minerals we need and more of those which we do not need. As a matter of fact restoring mineral balance in our fragile eco-system, we may have to go beyond physical health to emotional and intellectual health.
