After taking over as General Secretary, Sood Sabha, Chandigarh in June 2019, this is my first communication through the columns of Sood Sandesh - our in house magazine.

“Sood Sandesh” is considered to be very important organ of Sood Sabha – it connects the Biradari and restore the values and legacy of our culture. Similarly quarterly publication is considered to be a media through which our Sabha highlights its activities / achievements and also of other Sabhas.

Our Sabha has always nourished ethical values which have led us to the path of glory. # *Sarvdeshik Sood Sabha*

President

There is a widespread discontentment in the society. Intolerance hatred and distrust is spreading like cancer eating the vitals of the society. In such a situation there is a greater need to re-establish the cord of brotherhood in our community by strengthening Sood Sabhas which are inoperative at present and also forming new ones at other centres.

Sarvdeshik Sood Sabha is the Apex body of Sood Biradari for over a century and the main aim of Sarvdeshik is to widen the sphere and ambit of Sood Sabhas at various centres. As per records available the first meeting of Sarvdeshik Sood Sabha was held in the year 1881 at Ludhiana. There after these meetings took place at frequent intervals at different places on the initiative of the local Sabhas. The main objective of Sarvdeshik is to consolidate and strengthen the feelings of brotherhood and to spread the message of oneness.

Last conference of Sarvdeshik Sood Sabha was organised by Sood Sabha Chandigarh on 25th March, 2018 at Sood Bhawan, Chandigarh. The main purpose of these meetings/conferences is to have get together of various Sabhas on one platform and to discuss issues of common interest. It has been experienced that significant contribution was made by this body to help nursing the inactive Sabhas and formation of new units where these does not exist.

On 8th September, 2019 office bearers of Chandigarh Sood Sabha attended Sood Mela at Dharamsala, thereafter visited Palampur and held discussions with prominent members of Sood Biradari. After discussions they requested us to assist them in forming Sood Sabha at Palampur. Now we are working on it and confident to have fruitful results.

**Sood families in each town and cities are requested to organise at least two get together(s) in a year to strengthen mutual understanding amongst biradari members.**

With best wishes,

**Shashi Bhushan Sud**
