JUL-SEP 2022

From General Secretary

Ashwani Sood

Tree plantation is recognized as one of the most engaging, Green environment friendly activity that people can participate in to help the planet. Trees provide numerous long term and short term benefits. They not only look nice, but also remove and store carbon from the atmosphere, slow heavy rain and thus reduce the risk of flooding, Improves air quality and reduces the urban heat island effect by reflecting sunlight and providing shade.

Thus contributing to the Community and Sabha's obligation to the nation, like every year a tree plantation drive was held this year too by planting tree saplings at Panchkula Bhawan.

To celebrate the 75th anniversary of our Independence and keeping in view the Har Ghar Tiranga Campaign, initiated by Govt. of India, National Flags were hoisted at both our Bhawans at Chandigarh and Panchkula. Apart from this Tiranga Yatra was taken out at Panchkula, enhancing the spirit of patriotism to the highest level.

Sood Sabha shall always remain in the fore front by organizing such campaigns and contribute to the society.

Lastly on behalf of Sood Sabha Chandigarh I would like to inform the Sood families that our 59th Sood Milan Divas-2022 is being organized on 18th Dec 2022 at Sood Bhawan, Sector 44-A, Chandigarh. The occasion offers interesting events for all sections & age groups of the Biradari. Children have fun and exhibit their talent through various competitions like painting, fancy dress and sports activities. Meritorious students who have excelled in academics and sports are honoured and tiny-tots vie for the Crown of Sood prince and princess. Cultural programmes are presented by the youngsters and the special attraction is the Tambola for all age groups. One week prior to the Milan Divas, various competitions like rangoli, embroidery, mehandi, card making, button stitching etc are organized. Another major attraction is the **“Dhaam”** enjoyed and relished by all.

On behalf of the Sood Sabha Organizing Committee, I cordially extend an invitation to all members of the Biradari to participate overwhelmingly and make it a grand success.

TO TAKE CARE OF YOUR TEETH

Healthy teeth are clean and have no cavities. Healthy gums are pink and firm, and do not bleed. To maintain healthy teeth and gums, follow these steps:

Dr.(Prof) Niti Sood

Floss at least once per day. It is best to floss after brushing. Flossing removes plaque that is left behind after brushing from between the teeth and on the gums.

Brush your teeth twice a day with a soft-bristled toothbrush. Brush for at least 2 minutes each time.

Use fluoride toothpaste. The fluoride helps strengthen tooth enamel and helps prevent tooth decay.

Replace your toothbrush every 3 to 4 months or sooner if needed. A worn-out toothbrush will not clean your teeth as well. If you use an electric toothbrush, change heads every 3 to 4 months as well.

Eat a healthy diet. You are less likely to get gum disease if you eat healthy foods.

Avoid sweets and sweetened drinks. Eating and drinking a lot of sweets increases your risk of cavities. If you do eat or drink sweets, brush your teeth soon after.

Do not smoke. Smokers have more teeth and gum problems than non-smokers.

Keep dentures, retainers, and other appliances clean. This includes brushing them regularly. You may also need to soak them in a cleansing solution.

Schedule regular checkups with your dentist. Many dentists recommend having the teeth professionally cleaned every 6 months for optimal oral health. Seeing the dentist every 3 to 4 months may be needed if your gums become unhealthy.

Regular teeth cleaning by a dentist removes plaque that may develop, even with careful brushing and flossing. This is very important for getting at areas that are hard to reach on your own. Professional cleaning includes scaling and polishing. This procedure uses instruments to loosen and remove deposits from the teeth. Routine exams may include dental x-rays. Your dentist can catch problems early, so they do not become more serious and expensive to fix.

DO WE REALLY WANT OUR DAUGHTERS TO LEAD

In these days of equality or all irrespective of their caste, colour or gender, when the Constitution made by our learned and visionary founders of our Modern India has provided for equality and rights given specially to the most vulnerable groups of our society, among them were women. At that time, they wanted them to have equal rights in all fields i.e. education, healthcare etc and that helped in a way in shaping the modern India and taking our country in the league of modern western nations.

Sachin Sood

The vision they had in those days was very futuristic and we achieved most of them specially in urban areas including universal suffrage.

Different times need different things. We have given our mothers , sisters and daughters good education , they are doing good jobs and are contributing in our country's economic prosperity but what we lack is women in good leading positions in politics(we are way behind our conservative neighbor Pakistan in that context) , corporate management, and all this will start from home.

Do we really want our daughters to lead, we have to ask this question to ourselves, everything starts from home.

We say many things, but when its time to do something on ground we follow age old traditions, when we seek a suitable match for our daughters, we expect the boy to be elder , to be taller, to be more muscular, to earn more to be from higher family status, in short to better in every aspect. These are the aspects by which one human being dominates other. So we are giving the perfect recipe for our daughters to get dominated.

Not just in middle class or lower class, this is expected in every class , in every society of the world.

To achieve this goal / to bring women in leading positions , the least /start we can do is giving leading role to our mothers/sisters/daughters in our homes and give a start for social acceptability.

We can be world leaders and can become Vishwa gurus when our daughters will have leading roles in every aspect of life.

वो मेरा शहर मुझे लौटा दो

(1960-65 का चंडीगढ़)

1960 में जब बारिश होती थी, थोड़ी-थोड़ी नहीं, जमकर होती थी, भर-भर पाईप से पानी निकलता था, पूरा शहर धुल कर निखरता था। बरसात का पानी जमा नहीं होता था, चंद मिनटों में सिमट कर गायब होता था, एक खुशबू-सी फैल जाती थी, हर जीव पर ताजगी छा जाती थी। वो मेरा शहर मुझे लौटा दो, वो मेरा शहर मुझे लौटा दो।

बृजकृष्ण सूद

जहां मैदान घास से भरे होते थे, मवेशी चरते होते थे, जब सांडो की भीड़ें होती थी, पूरे सैक्टर के लोग दर्शक होते थे, गर्मी की छुट्टियों की रातों में, जब छूपम-छूपाई होती थी, पूरी रात भर होती थी। पूरे सैक्टर में ढुंढाई होती थी, वो मेरा शहर मुझे लौटा दो, वो मेरा शहर मुझे लौटा दो।

जब साथ के घर वाली पड़ोसन, मासी जी कहलाती थी, दिवार के इस पार मेरी माँ स्टूल पर चढ़, उनसे बातें करती थी, जहां गर्वनर हाऊस के दरवाजे, हमेशा खुले रहते थे, उसके लॉन में पिकचर देखने को, हम कितने तत्पर रहते थे, वो मेरा शहर मुझे लौटा दो, वो मेरा शहर मुझे लौटा दो।

जब चाचा नेहरू आते थे, हम सड़क पर लाईन बना खड़े हो जाते थे, उनकी खुली कार पास आ रुक जाती थी, हम फूल उन्हें थमा आते थे, जहां सड़के खाली रहती थी, साईकल कुछ स्कूटर एक-दो कारें ही दिखती थी, सब अपना आस-पास ही लगता था, दिन हो चाहें रात डर नहीं लगता था, वो मेरा शहर मुझे लौटा दो, वो मेरा शहर मुझे लौटा दो।

रूपए की आत्मकथा

दुनिया मुझ से चले, मैं अपनी राह चला,
देख रवायत दुनिया की, मैं भी आत्मकथा लिखने चला।
किन-किन परिस्थितियों से गुज़रा,
खुशी, ग़मी, भ्रष्टाचार का देख मुजरा।

मैं भी कभी एक कड़कदार, साफ-सुथरा,
नीला रंग किए एक खूबसूरत नोट था।
किना प्यारा था वो दिन जब मुझे सरकारी प्रैस से निकालकर,
अपने 11 साथियों के साथ व्यवस्थित करते एक अंधेरी कोठरी में रखा गया था,
कुछ दिन बाद बाज़ार की सैर करके एक कन्या के नरम व गद्देदार बटुए में पहुंच गया।

सपनों में खोया हुआ मजे ले रहा था कि तभी,
एक अजीब सी पसीने की बदबू मेरे नथुनों को सड़ाने लगी,
यह आ रही थी एक मूंगफली वाले की बदबूदार बनियान से।

इस तरह से उसने मुझे मरोड़ा,
ऐसा लगा जैसे जवानी में ही बुढ़ापे ने दस्तक दे दी हो।
मैं चिल्लर के रूप में किसी की जेब में पहुंचा वहां एक धुन कानों में पड़ी
— बड़ा ना भैया, सबसे बड़ा रूपया' सुनकर नाचने का मन हुआ
अब तो हम पर भी गाने बनने लग गए हैं।

My Nation

God made the world with its lofty trees,
Big mountains and restless seas.
Then paused and said, it needs one more thing,
One, with a vibrant background.
That has the beauty of different cultures in every city.
So, he made India, my motherland,
With Kashmir as its headgear and Kanyakumari as
foot end.
He blessed India with freedom fighters like,
Rani Laxmibai and Bhagat Singh.
He gave the serenity of people like,
Kabir, Tulsidass, Sita and Devki.

The outrageous Himalayas
teach us with pride,
Bear all circumstances with
power of inside.
The changing season give
us blow,
That time always goes on
whether-sadness or glow.
When God had completed the job he had begun,
He was happy at the world he had done.
When seen through mother earth's eyes,
India looks like a joyful paradise.

TEACHER'S

Teachers are considered as the strongest pillars of educational institutions. They are the real mentors who bring out the best in a child. They bring the better judge, know the good and the bad in a child and help churn out their talent. A good teacher is the building block of a refined human being, shaping lives. They groom their student to perfection, to the best of their ability. The quality of a teacher in a school is an important factor that influence the learning outcome and academic activities of a child. Teachers play an essential role in bringing a change in a student s performance which is directly related to the growth of an institution itself. Teachers who nurture their student with affection and devotion not only get respect from their student, but also shape the future of the student through their behavior, conduct and teaching. A good teacher is a personality builder, a society builder and a national builder.

संपूर्ण भारत से आए विभिन्न राज्यों के 29 एथलीट्स ने भाग लिया और इसके साथ साथ ही शॉट पुट थ्रो में ऋचा सूद ने तीसरा स्थान प्राप्त किया।

सूद बिरादरी इनकी उन्नति की कामना करते हुये भविष्य में सफलता के लिये शुभकामनाएं देती है।
